International Marketing of Dairy Ingredients

## ORGANIC WHEY PROTEIN CONCENTRATE 80%

**Description** Our organic whey protein concentrate 80% is a highly functional, organic whey protein concentrate with an excellent amino acid profile that can be used in a variety of applications. It is derived from fresh, sweet organic dairy whey that is further processed by microfiltration, concentrating the protein to an 80 percent level.

<b>Characteristic</b>	<b>Typical Analysis</b>
Protein (dry basis)	80.0%
Ash	4.0%
Lactose	5.5%
Fat	8.0%
Moisture	4.5%
SPC (cfu/g)	<30,000
Yeast & Molds	<10
Coliform	<10

**Packaging** WPC 80 is packaged in various size (typically 20 kg.) multi-wall Kraft bags with an inner polyethylene liner.

**Storage** The bags should be stored in cool, dry environment.

The information provided and the recommendations made herein are based upon our research and are believed to be accurate, but no guarantee of their accuracy is made. In every case, we urge and recommend that purchasers, before using any product in full scale production, make their own tests to determine to their own satisfaction whether the product is of acceptable quality and is suitable to their particular purposes under their own operating conditions. The products discussed herein are sold without any warranty as to fitness for a particular purpose or any other warranty, express or implied. No representative of ours has any authority to waive or change the foregoing provisions, but our Research and Development Department may be available to assist purchasers in adopting our products to their needs and to the circumstances prevailing in purchaser's business.
